

RESHAPING GRANT FUNDING CONSULTANCY BUSINESS

# Grant Funding Opportunities for Your Business

[info@lookfundings.com](mailto:info@lookfundings.com)

 LOOKFUNDINGS

# Agenda

1. How we can help you secure grant funding;
2. Our core team;
3. Testimonials and Success cases;
4. Grant Funding opportunities introduction:
  - I. AI-Fund;
  - II. dAIEDGE OC2;
  - III. FFplus;
5. Next steps;
6. Our pricing model.

# How We Can Help You

**We are expert project writers who specialize in identifying specific Grant funding opportunities that provide:**

- 100% funding (no personal financial contribution required);
- Equity-free financing;
- Lump sum payments – receive funds upfront and proceed with the work (enhances cash-flow management);
- Tailored specifically for start-ups and SMEs;
- No need for a market-ready product;
- No financial history required – eligible for companies founded as recently as yesterday.

# Our Core Team

## Gedvinas Nemickas

Grant Projects, Managing Partner

9+ years of experience in the deep tech sector. Responsible for the preparation and management of innovative grant-funding projects.

## Akvilė Macijauskaitė

Business Development, Partner

8+ years of experience in developing and implementing effective sales & marketing strategies for tech-driven businesses. Responsible for preparing detailed business plans and go-to-market strategies for projects.

## Mindaugas Šabanskas

Operations, Partner

12+ years of experience in managing business operations. Ensures smooth internal workflows, optimizes processes, and coordinates project execution to meet both client and funding call requirements.

## Dovilė Šabanskienė

Finance, Partner

10+ years of experience in managing financial operations for funded projects. She specializes in budgeting, financial reporting, and compliance, ensuring that all projects meet financial standards.

# Testimonials Experience

**Attila Kelemen**  
CEO & Co-founder, Salumentis

We were highly impressed by Lookfundings' efficiency in minimizing the time and effort required from our team at Involve Space. With minimal input from our side, they were able to develop a well-structured and comprehensive proposal. We now eagerly await the results and are hopeful for a successful outcome, but we can say without a doubt that we are fully satisfied with the work done.

**Claudio Piazzai**  
COO, Involve Group

We were highly impressed by Lookfundings' efficiency in minimizing the time and effort required from our team at Involve Space. With minimal input from our side, they were able to develop a well-structured and comprehensive proposal. We can say without a doubt that we are fully satisfied with the work done.

**Eugen Riegel**  
CEO, Numeric Systems

Look Fundings really impressed us. They reached out with a great funding opportunity that matched our needs perfectly. The process of creating the funding documents was smooth and efficient, and the quality of the prepared application was excellent. We were very pleased with their work.

**Roger Courtney**  
CEO & Founder, Sunstone Technologies

I highly recommend the services provided by Gedvinas and LookFundings. We worked with them to apply for an EU-based grant, and with minimal difficulty or input, Gedvinas was able to produce a brilliant, extremely accurate project and company overview which was superb. We are grateful for their scope, their speed of response and the accuracy of their work, which was second-to-none. Many thanks Gedvinas and all at LookFundings!

**Maria Lavithi**  
CEO & Founder, Heroes Made

LookFundings' team turned our ideas into a project proposal that was clear and perfectly aligned with the impact we wanted to make. Thanks to them, our dream for revolutionizing social-emotional learning is now a well-funded reality. Big shoutout to LookFundings – they're the real deal in project writing and funding support!"

**Daragh Donohoe**  
CEO & Co-Founder, SPRYT

Gedvinas and the team at LooksFunding were an absolute pleasure to work with. They were extremely efficient, responsive, and knowledgeable throughout the entire grant writing process.ct writing and funding support!"

**Beka Begiashvili**  
CEO, AI Nostrum

LookFundings has demonstrated in-depth knowledge and experience in the management of European grants for R&D and HPC projects. Their support has been essential to ensure the success of our application. We appreciate their professionalism and dedication throughout the process.

**Martina Nemes**  
CFO & Co-founder, AX System

We worked together with Lookfundings on the FFplus tender. The cooperation was fast and smooth. From the ideas we outlined, they prepared high-quality application material, which we were satisfied with. Thank you for the effective collaboration.

Funding intensity

**Business Experiments Track:** up to 150,000 Eur, 15 months project duration. You can apply as a single applicant.

For usage and testing of AI and High-performance computing (HPC). Thus, their key outputs are success stories that promote, communicate, and disseminate the business impact.

**Innovation Studies Track:** up to 300,000 Eur, 10 months project duration (200,000 Eur per partner). You can apply as a single applicant.

The participating SMEs and Startups will be supported in enhancing their innovation potential by leveraging new generative AI models, such as Large Language Models (LLMs), building on their existing expertise, application domain, business model, and potential for expansion.

The project call should be announced in the 2025 summer with full details.

# Next Steps

01

## CHOOSE THE PROJECT CALL

Ask our expert project writers and we will help you select the most suitable EU Grant Opportunity for your business.

03

## COMPLETE THE QUESTIONNAIRE

You will complete a brief questionnaire that is less than one page long and takes about 15-30 minutes.

02

## SIGN THE CONTRACT

Once you confirm the specific project call, we will sign a contract with you.

04

## REVISE THE APPLICATION

We will prepare the project documents and offer unlimited revisions until you are satisfied with the final version.

05

## FIXED FEE PAYMENT

A fixed fee agreed on the signed contract should be paid after you receive all the documents prepared from our side but before the call deadline.
